**MAYOR'S REPORT**     Mayor Leone updated Council on the submerged land lease agreement. Water turn off cards were issued throughout The Fountains due to the lack of cooperation with the owners of the property. The Fountains is private property and should only have 1 meter reader and also the facilities lack water back flow contamination protection. Mayor has recently been working with Vickie Avery and has received good cooperation from her. In the past, numerous letters have been sent out stating the non-compliance. He is sending the message that this is serious and action needs to be taken. Ms. Phillips asked if this is an all or nothing situation. Mayor Leone stated that because it is owned by one property owner, that yes, it is an all or nothing situation. He will keep everyone updated. Mayor's Night out is Thursday at 6pm at Council Chambers. Mayor Leone complimented the Street Department on a job well done with the storm came through over the weekend. The FOPA Bike week event took place over the weekend, despite the bad weather, they did well. The FOPA will sponsor the torch run on June 20, 2015. More information will be coming. Marcy Kaptur was in town recently. Mayor Leone wished Mrs. Hansen a Happy Birthday.
