PUBLIC COMMENT

Sherry Murphy – couple questions for council. Is the traffic that is going down Lee Street around 3pm going to stay that way forever. Mr. Wheeler stated that he was not aware of the issue. He will get with Mr. Buck or Mr. Adkins to find out a duration. Is the new pavilion at Taft Hill going to be enclosed? Currently garbage blows out of cans after parties and into back yards. Mr. Wheeler states that it was not meant to be enclosed. Mrs. Sarty and Mr. Wheeler stated that it was best to contact Mr. Colston regarding the trash. Is there something that can be done about the road on Lee? Mr. Wheeler stated that Mr. Colston is the best person to contact regarding those issues. He will forward all concerns addressed tonight to him.

Tyler Brown – Will all due respect Mayor Wheeler I am standing here today to raise issue to your comment to council on February 9th. Your disappointment in council members for exercising their freedom of speech do defend their city reimagined and reborn is something I have yet to understand. Do you support the passage of Issue 1? If Issue 1 does not pass, what is your big picture vision for the city? How will we move forward? We have a guest in our city that has volunteered their time to assist us in involving the entire community to create a vision for the future. We would be ignorant to avoid this opportunity. On Saturday, I was pleased to see most of council participating. I have yet to see your active participation but hope that you will become involved. The next mini visioning summit will be this Saturday, March 12th, from 1230pm to 530pm at the high school cafeteria. I truly look forward to working with you and the rest of the community in building our future. Mayor Wheeler stated that he was disappointed in council at what was going on. I believe that I have addressed council about it. Mayor Wheeler states that the problem he has with Issue 1 is the signs are misleading. We are not voting on progress we are voting on Mike Rose and no I do not support Mike Rose. If Issue 1 does not pass, we are going to continue with the revitalization of downtown. We are going to finish the infrastructure and we are going to do the streets, Fulton to Second. As far as downtown we are going to invite businesses in. We are going to look at economic development by going to an expo to invite those businesses in. As far as Waterworks park, there will be another developer come forward for that. There is more on the table for the property. Tyler asked if he will be at the summit on Saturday and Mayor Wheeler stated that he will not be.

Rick Noderer – Passed out press release written by CORD to council members. The press release was in regards to Mr. Rose and his judgements. There is a new judgement in Medina County and a copy of that was supplied to council members. Mr. Noderer asked if there are any council members that still want to negotiate with Waterfront LLC? Mrs. Gillman asked Mr. Wilber for clarification one more time is this advisory ballot legally binding. Mr. Wilber states that it is just an advisory election/opinion poll. Mr. Noderer states the ballot is specifically asking the community if they want to the city to negotiate with Harbor Front LLC a Mike Rose company. Mrs. Gillman asked if CORD has the outcome of the judgement. Do you have refusal of Mr. Rose to pay this judgement? Mr. Noderer states that he does not. Mrs. Gillman states that she cannot comment on whether she would deal with someone because she does not know if he has had the opportunity to pay the judgements.
